

DOUGLAS McCUE JR

MULTIMEDIA DESIGNER

(308) 293 0270 · MCCUED@LOPERS.UNK.EDU

SUMMARY: An out of the box thinker and polymath with extensive experience ranging from audio to visual, and psychology to writing. Someone who understands the purpose and power in a cross-studies education and why. A natural leader with a long history of personnel management who is not afraid to get their hands dirty. Great collaborative and interpersonal skills—able to quickly understand client needs and develop them into products that exceed expectations. Has been creating digital products of all kinds since 1994, the same year the Web arrived for non-government or academic use.
