Summary

I am a skilled multimedia student with experineces that are beneficial in the any job involving media and people skills. I am available for an internship in summer 2025.

Education

University of Nebraska at Kearney
Expected to graduate May 2026
Bachelor of Arts in Multimedia

- Minors in Media Productions and Strategic Communication

Experience

Student Content Creator
University of Nebraska at Kearney, September 2024-present

- Took video and edited content
- Conducted interviews on and off camera
- Worked with other student content creators

Student Researcher
University of Nebraska at Kearney, March 2024-present

- Entered data points onto hundreds of images on a computer to help develop software for USGS (U.S. Geological Survey)

Communications and Marketing Internship
University of Nebraska at Kearney, March 2023-May 2023

- Worked with UNK's communications and marketing department by editing videos and taking videos for UNK's website. I also attended meetings and sometimes helped with many different parts of the department, like photos, graphic design, etc. I mainly worked with videography.

Radio Workshop Course
University of Nebraska at Kearney, Spring 2024

- Had a two-hour, once a week, live radio shift on 91.1 KLPR Kearny. I worked the board, recorded shows, promoted events, worked on making and playing PSAs, and learned about the radio business.
